Expansive property encompassing over 3500 square feet of living space sitting on an acres of manicured property. This four bedroom four bath home offers an amazing opportunity for those looking for an immaculate Bishop residence. The home is designed for entertaining with a large formal dining room, interior and exterior kitchens, built in BBQ, and creekside gazebo. The pasture land offers equestrian space, storage, or additional storage. The three car garage offers room for all the toys along with loft storage. This is a wonderful opportunity for anyone seeking a luxurious property.
