The unobstructed views from this home are expansive, extending from the Wheeler Crest across the entire Sierra skyline. This home sits on a quiet cul-de-sac and is ready to move in. The open kitchen and dining area are perfect for any size family. Ample space to garden and enjoy summer BBQ's on one of the largest lots in the neighborhood. The newer roof, forced air heater, evaporative cooler, and windows make this home an easy choice for years to come.
