The home you have been waiting for! Nestled on a private street surrounded by manicured landscaping and an expansive pond, this is the home you have been waiting for. With over three thousand square feet of living space this home has ample size for any family. Scenic mountain views from your private back patio creates the perfect space for outdoor summer BBQ's. The kitchen is spacious and offers the perfect workspace for entertaining. Additional storage in the two car garage and detached shed. This is an incredible home in one of Bishop's most desirable neighborhoods.
