It is so hard to describe the Beauty of the Views from this home... You would be mesmerized by the Rare Panoramic Views of Hanalei Bay, the coastline, whitewater, waves crashing against the coast, the ocean, mountains, waterfalls, rainbows, sunsets, and more. This type of property Rarely Ever comes on the market in Princeville, Kauai and it could be yours!

This is a MUST SEE property with Views that are Extremely Rare in Princeville and the North Shore of Kauai. The photos don't do the views any justice. You really do have to see them in person. You can make this home your primary residence, 2nd home, or you can legally make it a very successful vacation rental! If you have been looking for a home with VIEWS, this is THE ONE you have been waiting for! The house next door recently sold for \$3.2 million! So this is a good investment! You could make this property a Vacation Rental Goldmine!

Call, text, or email me today to see this Extremely Rare Princeville Property with Breathtaking Panoramic Views! Debbie Hill, Realtor & Listing Agent
