Now Poised for a Spring 2019 Start: We've attempted to bring you a truly extraordinary package of features, in support of the best in active-senior lifestyles....so that's what really IS for sale. It starts with an exceptional parcel of land, close-in with great access to all of southwestern Illinois and more, with a long border with Troy's Tri-Township Park. It's an ideal spot from which to walk everywhere.

But the homes themselves enjoy a revolutionary construction system, where walls really are built of poured concrete, sandwiched between two thick slabs of styrofoam....all left in place to do their work forever...passively. It's practically indestructible, resisting wind, fire and even earthquake, and conserves energy costs like a dream. It creates a retreat that's both tough and pretty; the
