Reminiscent of homes located in Pacific Heights, this remodeled home is a rare find of superior craftsmanship on a grand scale. The home is ~6,565 square feet; the guest house is an additional ~476 square feet. The main home has 5 bedrooms, 3.5 bath and with formal living, dining and foyer. Abundant living spaces include: media room, family room, den, library, 2 offices, dressing room, breakfast room, wine cellar, artist studio and a great room on the third floor. The separate guest house over looks the pool with diving board. Special features include a Greg Brown garden mural, coffered ceilings, generous size rooms, dramatic wide staircase, and ample wall space to accommodate gallery size art. The lot is approximately 19,060 square feet with a 130 foot frontage. The property is the site of the Palo Alto 1985 Designer Showcase. No open houses are scheduled.
