The DeCourtieux home is a one-of-a-kind historic Queen Anne Victorian home located in the heart of San Rafael. It was built in 1893 when Grover Cleveland was President. It is approximately 3,500 square feet. There are 6 bedrooms, 4 full bathrooms and 4 fireplaces. This home has been owned by the same family since the 1930's. There are original details found throughout this home from the wrap-around veranda, coffered ceilings, wainscoting, special molding/trim, and large scale rooms with 10' high ceilings. Upon entering the home, you enter the parlor with beautiful wood 10' coffered ceilings, hardwood floors, fireplace, chandelier, and wainscoting. Off of the parlor is the living room also with 10' ceilings, hardwood floors, fireplace and built-in bookcase and cabinets. The living room opens onto the large formal dining room with 10' ceilings, hardwood floors, fireplace, and chandelier. Located off of the formal dining room is a private bedroom suite with full bathroom. The bathroom has a pedestal sink, and shower over the tub. Off of the formal dining room is an enclosed sun porch with ceiling fan and Mt. Tamalpais views. Located off of the formal dining room is the kitchen with 10' ceilings, pantry with built-in shelves, wainscoting, refrigerator, electric range, dishwasher, garbage disposal, double sink, and spacious dining area. Sun room located off of the kitchen with washer and dryer. Mt. Tamalpais views from the entire rear of the home. Upstairs there are 4 bedrooms and 2 full bathrooms. There is a large master suite with fireplace
