Desirable End Unit Waterford Community Bridgeport Townhome. Immaculate condition, one of the largest in the development. Approx. 2116 sq. ft. Custom tiles, light and bright. Lots of upgrades throughout. It shows as 2 bedrooms, however this lovely 3 bedroom unit had the wall in between two bedrooms removed by builder to make one large bedroom. It can easily be converted back to two separate bedrooms with a dividing wall. Extra large master bedroom suite with walk in closet, large stall shower and bath with dual vanity sinks. Nice entryway leading to living room with sliding glass doors to large wrap around patio. There is a large formal dining room plus kitchen with breakfast area, countertop bar, all opening to family room. This is a must see!
