Here is your opportunity to own an updated home in Dogtown. Home offers approximately 1,260 sq. ft. of finished living space.

Step inside and notice the open floor plan, high ceilings and beautiful hardwood floors. The living room features a decorative historic brick fireplace. Living room opens to the dining room. There are 2 bedrooms and updated bath on the main floor.

The eat-in kitchen in bright and inviting with white cabinetry and gas range. You can exit through the side door located on landing of basement steps to the fenced-in backyard. The backyard has a patio for evening cookouts and a storage unit.

The lower level features 2 finished rooms and the 2nd full bath. The lower level offers a possible roommate or multi-generation living option with the kitchen/living room, bedroom and bath.
