Here is your opportunity to own a stunning updated 2-story brick & stone home on one of the prettiest tree-lined streets in South St. Louis were all the homes sit back far from the street. This home has incredible curb appeal! Home features approximately 2,600 sq. ft. of finished living space and a brick 4-car garage.

Step inside and notice the wide entry with hardwood floors, beautiful wood staircase to the 2nd floor, custom millwork and an abundance of natural lighting. To the left is a sunken living room with beamed ceiling and decorative stone fireplace.

The open kitchen and dining area is every chef's dream come true with custom cabinetry, stainless appliances, granite countertops and butler pantry. Off the kitchen is a cozy sunroom. You can exit the sunroom to the fenced-in backyard oasis that includes a newer large deck (20' x 16') with decorative lighting. Imagine enjoying your morning cup of coffee or evening cookouts on this deck.
