Spanning over 10,000+ SF, this magnificent residence graced by soaring ceilings and wall-to-wall windows is a haven for gazing at the private retreat in your back yard with views from multiple vantage points. The grand entryway with an open staircase draws you into a voluminous layout made for entertaining. The 2-story great room with floor to ceiling windows, accompanied by formal dining room, tremendous chef's kitchen, den/family room with a gas fireplace and French doors to the covered patio, home office with built-ins plus more. The divine master suite presents private stone fireplace, double French doors leading to a terrace overlooking the pool, and an opulent ensuite bath will a soaking tub and separate glass shower. The lower level houses a large rec room with wood floors, 8+ person Theater with custom LED starry sky, billiards room, exercise room, full guest suite and an additional bedroom, currently used as kids craft room.
