\$ 775,000

Contractors, do-it-yourselfers and flippers---this is the one. Cleaned out and ready to be remodeled. Same house next door sold a year ago for \$740,000 and is now being remodeled into a 2500sf five bedroom. Huge lot gives you plenty of expansion options.

Basic house is three bedrooms, one bath, dining, living and family rooms.

This will not last long so hurry if you want it.
