This beautiful 2-story home in the hills of Montebello is an Entertainer's Dream. The house has 3 bedrooms and 2 bathrooms and the Master Bedroom has vaulted ceilings, a walk-in closet, and a private balcony. The first floor features an upgraded kitchen and large family room with recessed lighting. The back yard includes a sparkling pool and an incredible view of Downtown Los Angeles. This year the owners installed a brand new \$32,000 20 panel, 6.54 KW solar power system, significantly reducing power usage for the home. The property is walking distance to Schurr High School and close to shopping, restaurants, and major highways.
