This charming Upper Hastings Ranch home has been lovingly maintained by one owner since it was built in 1951. Through the entry way you'll find an open floor plan that boasts a spacious living room with fireplace and dining area. There are large floor-to-ceiling windows which allow views of the sparkling pool. The newly updated kitchen with new counters, back splash and stainless appliances is open to a comfortable den and features a cozy breakfast counter. There is a master bedroom with his-and-hers closets and one bedroom offers access to the back yard/pool area. The garage space is an organizer's dream with lots of built-in cabinetry. The owner built a laundry area in section of the garage which can be removed in order to convert it back to a two-car garage. There is central air & heat, ample off-street parking, new lighting, new interior paint, new flooring, new carpet in the bedrooms and a large 7,308 sf lot. Don't miss this very special family home!
