This diamond-in-the-rough has had only one owner since it was built in 1948. It is located on a quiet, tree-lined street and is just a few blocks from the Camino Grove Elementary School in the Arcadia Unified School District. The living room features a traditional fireplace and a cozy dining area. There is a wood-paneled den off the living room and kitchen. The original kitchen is functional, offers a view of the back yard and is adjacent the laundry room with laundry sink. There is a spacious back yard that is perfect for children to play and a covered patio for relaxing or dining al fresco. The long driveway allows ample off-street parking and there is a detached two-car garage. This property is ready to be restored to its original luster and full potential!
