We are pleased to present this handsome residence in Wallace Woods - a small and exclusive deed restricted subdivision in a convenient and sought-after location, just a short walk to Dock Square. One of the area's premiere builders, Moody & Sons Construction has created this 3,400 square foot, 3 bedroom, 3.5 bath masterpiece which includes a sumptuous and private 1st floor master suite, custom kitchen with quartz counters and Jennair appliances, open concept living room with a gas fireplace and custom built-ins, a huge bonus room over the garage, beautiful European oak floors, sunroom and deck....and other amenities that include multi zoned Central Air and efficient propane heat.....the list goes on and on!!! The woodwork and craftsmanship in this home is superior and will not disappoint. Take advantage of a low tax rate and a location that is convenient to all Kennebunkport's amenities!
