Here is your chance to live in one of the valley's premier gated communities. A spacious 2,454 square feet has dramatic living room with fireplace, formal dining room with wet bar, huge family kitchen with island, bar and informal eating area and a deck between the kitchen and dining room. A full bath and bedroom complete the first floor. Upstairs is another bedroom and full bath and a very large master suite with vaulted ceilings, walk-in closet, vanity, and large master bath with separate stall shower and jetted tub and double sinks.

The complex is rural and gated. Watch the deer from your deck. Clubhouse has a pool and tennis courts and all the amenities.

This will go fast so don't wait.
