Recently renovated, this beach design inspired home is located in the desirable Atlantic Beaches neighborhood and just a couple of blocks away from the ocean. Enter through the turquoise door to find an open floor plan with large windows throughout letting in plenty of natural light. Easy care wood plank tile floors flow from room to room, for easy clean up of sandy feet and paws. The bright and spacious kitchen features quartz countertops with glass tile backsplash, high end stainless steel appliances with state of the art ventilation system, and an island perfect for entertaining. The kitchen opens to the dining room and bar area, and through floor to ceiling glass sliders, step out to the magnificent salt water
