Foster Estates is a lovely community established in a rolling pasture in West Asheville. Each beautifully designed home sits on a large lot of 2 acres or more. This is a well-established community with mature trees and mature landscaping. Current existing home values range from \$600,000 to over \$1 million. Foster Estates offers a strong HOA with architectural control, min. square footage of 2,000 sq/ft, underground utilities, city water, private septic and natural gas. Many of these amenities are hard to find outside of city limits!

7 Brookside Drive is located towards the back the community on Lot 13. It is one of the last remaining available lots in Foster Estates. It is 2.42 surveyed acres of rolling meadow bordered by woods in the back. The perfect home for this home site will have a walk out basement and a back porch where you can sit and enjoy the mountain views.
