This newly remodeled home provides amazing Sierra views and detailed craftsmanship appealing to the most discerning taste. Recently renovated, this custom home offers 2,200 sq ft of living space with 3 bedrooms and 3 baths. Great care has been taken to provide for both privacy and an open feel, inviting the Sierra views into your home. Wake up every morning to a beautiful sunrise as you stare out your master suite directly into the Sierras. The property offers a very open floor plan, whether you are cooking in the chef's kitchen or relaxing in front of the fire. The detached 3 car garage is fully finished and offers a separate bath and small office. The barn provides 2 horse stalls and dual garage bays with enough storage for all your toys. Nearly 2500 square feet of garage space! The private patio, includes a spa, provide ample outdoor space to enjoy coffee in the morning sun or BBQ in the afternoon shade. At just under 1 acre this property is perfectly manicured and offers ample size for any buyer need.
