This great entry level home has an open floor plan with the master suite on the opposite side to the additional bedrooms. A two car garage to keep your car out of the elements. The large living room is open to the kitchen and eat in area and has hardwood floors. The kitchen has granite countertops, a double stainless sink, a refrigerator that stays as well as plenty of cabinet space. Eating space is at the bar counter or in the eat in area of the home. A large back door opens onto a patio and a fenced natural area in the back yard. A storage shed comes in handy for your extras! All of the bedrooms are carpeted and the master bedroom is a good size with a walk in closet and a nice bathroom. Two additional bedrooms share a bathroom. Don't wait too long to see this house!
