This beautiful 4 bedroom, new home under construction has so much to offer! The main living space also offers raised ceilings, tiled floors and large energy efficient windows. The well-equipped kitchen has everything you could want and is complete with a large island and eating bar, pantry and granite counter tops with a tiled backsplash. The bedrooms are all well sized and the master suite features dual vanities, large shower with tiled surround, and huge walk-in closet. 2 car finished garage and a fenced backyard and covered patio. Home will be completed in Mid April to early May. Pictures on this site are examples of a finished Megan Floor plan-Amenities and colors may vary***
