Family compound? Get-a-way from it all - really - without giving up much of anything. About 3 miles from Highway 441 in Dillard/Mountain City area. There are a couple of springs on the property, rock outcroppings, huge oaks, white pines and hemlocks. Great neighbors, absolutely quiet area, trout fishing nearby - hiking, hunting, bird watching - whatever your pleasure.

What can you think of that gives you this kind of privacy about 2 hours north of Atlanta. Be creative, write a book, sculpt the next David, paint like you are a master...and not be disturbed unless those beautiful rhododendron blooms, Mountain Laurel, wild honeysuckle, tulip poplars and more are distractions. Deer, bears, wild turkeys, and all the smaller critters are there too.

Call me and let's set up a time to see this beautiful place!
