Wonderful, comfortable home with a fantastic yard! Main floor features 2 bedrooms, 1 bath, formal living, dining area, kitchen and large family room with knotty pine paneling and a free standing gas stove for those cold winter nights. Basement has third non-conforming bedroom, storage, laundry and ¾ bath. Definitely, one of the nicest yards in town with privacy fence, garden area with garden shed and beautiful landscaping. Double car garage, central air, so clean and well cared for, must see to appreciate!
