This 5 bed, two-story all-brick beauty stands majestically on its over sized lot welcoming you with brick carriage house lamp posts and an elegant grand entrance. The home's expansive look is complimented by its private side loading garage and sprawling lush lawn. The inside is just as impressive! The large executive office has a wall of custom bookshelves and French doors for privacy. The family room is bright & open, the kitchen is a baker's dream with double ovens, a large island and plenty of work surfaces. With 5 bedrooms, (1 downstairs) 3 full baths and a large loft, space is abundant. If you need to get away you can escape to your master sanctuary expanding the entire left side of the home. This is larger than most apartments with 3 walk-in closets, a gorgeous custom tile and marble bathroom with high end features and incredible weathered wood grained tile plank floors. A definite must see!
