Amazing views and privacy just outside town. This three bedroom three bathroom custom built house is one that has to be seen in person. Kitchen has Alderwood cabinets, bay window, bar area seating along with formal dining area. Master-suite, 24 ft balcony from living room for bbqs and relaxing. Basement level has a FULL custom bar with etched glass mirrored back bar, keg tap, sink, ice maker and more with a ship decor, large mast beams, 1/2 bath and large fireplace with plenty of room for entertaining. 1G Internet ran to house. Addition on back of house could be made into very large 2nd master or more bedrooms. Tuck under garage has been plumbed for an additional bathroom and has 110 & 220 and engine hoist in work area. Property has 31 acres including a KOI pond, lots of trees and plentiful wildlife!
