This 3 bedroom (plus office) 2 bathroom home is nicely tucked at the end of a paved country lane. The upstairs is set up with a kitchen, dining area, living room with gas fireplace & a 2nd master bedroom. A slider from living room opens to a wrap around deck with a peaceful countryside views. Glass door off the kitchen leads to the back deck which over looks the back yard and shares the pleasant views. The downstairs is designed with a huge master suite with gas fireplace, an additional bedroom & an office. A portion of this 1.84 acre parcel is fenced for animals. The property borders a seasonal creek & has a wonderful setting yet minutes to down town Sebastopol.
