Remarks

Creekside West is a gated community, with restrictive covenants, community pool & playground, fishing lakes and recreation area (click on the link for more information). Just west of Highway 75 and Hahira, Creekside West is conveniently located to get to the city of Valdosta, Valdosta State University, South Georgia Medical Center, Wiregrass. Located on GA Hwy 122, you are also conveniently located to get to Moody AFB. You can get there from here!!

Often times, military families especially, are put in the stressful position of having to make a home purchase before they have the time to get acquainted with the area, much less the subdivision, and even less the builder of
