First time on the market for this Mission San Jose, Kimber Park home! This great floor plan features two bedrooms and two baths on the first floor with one bath and two more newly carpeted bedrooms on the second floor. The first floor main bedroom suite features a bay window seat with storage, an updated bathroom with dual sinks, jetted tub and a large walk-in closet. The newly carpeted living room has a woodburning fireplace with a gas starter. In the kitchen the custom cabinets provide lots of storage, along with a large island, granite slab counter tops and backsplash, stainless steel appliances, recessed lighting and a great view of the fountain in the tranquil backyard. A slider provides access out into the yard from the open concept kitchen/family room. There is a large laundry room, central heating and air
