Welcome Home to this beautiful well maintained 3 bedroom 2 bath house with a spacious floor plan and high ceilings throughout the house. The large kitchen opens up to the family room and dining area with access out to the fenced and landscaped backyard. The expansive patio sets the stage for many family bbq's and gatherings. The master bedroom has access to the outside patio, with a large walk-in closet, dual vanities and a separate soaking bathtub from the shower. This home includes an interior laundry room, as well as a bonus room that can be used as an office, separate dining room, or additional bedroom. Attached is a 3 car garage with an all level, oversized driveway. The prime location of this golf course home is a short distance to the newly built Greenview Restaurant and Golf Pro Shop, as well as the local coffee shop and many other local businesses. This is a must see home!
