4 BEDROOM 3 BATH POOL home on an amazing lot with circular drive with a 2 car side entry garage and a front load double depth garage! Fantastic location in a community of custom homes, with a community boat ramp on Lake Crescent, part of the Clermont chain of lakes. The pool and fenced backyard are amazing! The kitchen has the breakfast bar, tons of granite counters, plenty of cabinets- some with glass fronts, stainless steel appliances and a large breakfast nook. The formal dining room and den/office both have custom plantation shutters at the front of the home to let in natural light, or keep the rooms private! Beautiful lighting fixtures throughout the home including the dining room and pendant lighting in the kitchen. The triple split floor plan means the 4th bedroom has its own bathroom toward the rear of the home - perfect for guests, bedrooms 2 and 3 share a full bathroom.
