TOTALLY REMODELED HOME with brand new roof, kitchen and baths! Starting with the gorgeous kitchen that has been expanded to open up to the living room, upgraded with stone counters, new cabinetry with crown molding and including some glass fronts, tiled backsplash, black and stainless steel appliances all illuminated by all new light fixtures including the pendant lights over the breakfast bar. There is a dining area just off the kitchen that overlooks the rear yard and screened porch, all of this opens to the large living room. The wood burning fireplace is a great focal point on one wall, however still leaves a great spot for the large screen tv! The master bedroom has a walk in closet, plus the master bathroom has been completely remodeled as well. The double vanity has a marble top, gorgeous fixtures, mirrors and lights, and the separate shower was tiled floor to ceiling. All new tiled floor for the bathroom brings all the hues together. The guest bedrooms are a nice size, one of the closets had the doors replaced with a barn door configuration! The second bathroom has also been updated with a new vanity with dual sink, new fixtures, mirror and lights, tile around the tub and new flooring. The luxury vinyl plank flooring through the rest of the home is the perfect shade to accommodate virtually any furniture package you bring into your new home! There is a large covered and screened rear porch, fenced back yard, large towering
