You'll love everything about this gorgeous Partners in Building 1.5-story home! Each detail is exquisite. Wood-look tile floors, sleek cabinetry, open floorplan, gorgeous, bright kitchen, and private owners' sanctuary ... You won't want to leave!

Welcome guests at the eye-catching double door into the bright foyer that is flanked by 2 offices. Office 2 can easily be converted to a spacious formal dining space. The spacious family room opens to the modern kitchen and has views of the outdoor living space and pool. A cast stone fireplace, flanked by built-ins, is the focal point of this inviting room. Guests and family will love to gather in the picture perfect kitchen. They can grab a seat at the large island with waterfall quartz, and watch the magic happen. Jenn-Air 6-burner cooktop, double built-in ovens, custom refrigerator, wine storage, under cabinet lighting ... Everything a serious home chef needs! The kitchen also features 2 pantries, 1 walk-in.
