Little Silver Townhomes has always been a preferred community for savvy buyers looking for style, convenience and value. This upscale, two-level condominium is a perfect choice as a primary or vacation residence. Investors favor these as well, since they rent well. All rooms are spacious, and this is the best location in the complex as the large rear deck overlooks a beautiful, wooded area (the Primary Bedroom veranda has the same view!) The train station and convenient shopping are just steps away. Red Bank is the town next door, and the popular beaches are also nearby. The Netflix "meg-studio" is coming to Fort Monmouth and Oceanport has one of the most historic racetracks in the country. You're going to LOVE living here!
