Step into timeless charm of this Antique Farmhouse nestled in a picturesque country setting. Every inch of this home has been thoughtfully updated to harmonize modern comfort with historic charm. Inside, discover 9 glorious light-filled rooms. The heart of this home is the renovated gourmet kitchen with quartz counters, custom cabinetry, & huge island. And, there's a pot filler for the discerning chef. Dine in the spacious Dining Room or embrace warm summer evenings with alfresco meals. Spacious 1st floor family room boasts a sensational midcentury fireplace, built-ins, and a vaulted beamed ceiling. The allure doesn't stop there. Explore the enchanting walk-up attic, where endless possibilities await - Workout Space, Primary Suite or Bonus Space. The level fenced rear yard beckons relaxation and play. With 5 garage bays and barn space, this home accommodates vehicles and hobbies. Originally the Capt. Uriah Eager homestead, this home is steeped in history and awaits its next chapter.
