### Remarks

Welcome to this charming half duplex (twin) in the heart of Wilmington, where classic elegance meets modern upgrades. This beautifully maintained home offers hardwood flooring throughout, providing a warm and inviting atmosphere from the moment you step inside. First you'll pass through the screened porch to drop your umbrellas and have a cool place to sit in the summer. The first floor features a cozy living room with a wood-burning fireplace (currently not functional), perfect for relaxing evenings and gatherings with family and friends. Adjacent to the living area is a brand new kitchen (2023), designed to meet the needs of any home cook. With sleek countertops, contemporary cabinetry, and state-of-the-art appliances, this kitchen is both stylish and functional. The home also features a mudroom providing a convenient space for storage and organization, keeping your home tidy and clutter-free and an egress to a quaint backyard. Upstairs, you'll find three spacious bedrooms, each offering ample closet space and natural light. The full bathroom on this level embodies the art deco period in which it was built, ensuring comfort and convenience for all residents. For those seeking additional storage or potential living space, the unfinished basement offers endless possibilities. Whether you envision a
