Welcome to this exquisite Los Paseos neighborhood property! A fabulous cul-de-sac location is the perfect setting for this move-in-ready home showcasing 1,833 square feet of living space on two levels. This wonderful home includes a full bedroom and bath downstairs, with three additional bedrooms PLUS an office/den upstairs. The family/work from home/entertaining options are endless. Accentuated by the high vaulted ceiling and spectacular lighting fixture in the living room, there is an open and airy atmosphere. The dining and/or family area adjacent to the wonderfully appointed kitchen makes for an open living area. The backyard is the perfect size for entertaining or relaxing.

I live in the center of it all in South San Jose's Santa Teresa neighborhood with amazing freeway access to both
