Discover this charming North Caldwell Colonial with a two-car driveway, paver walkway, and covered entry. The center hall foyer is flanked by a dining room and formal living room, both with wood floors. French doors from the living room open to a family room with custom shelving, a gas fireplace, and glass doors to the deck. The kitchen is a dream with a central island, dining area, sliding doors to the deck, wine racks, pull-out drawers, stainless steel appliances, and under-counter lighting. The primary floor includes a powder room, laundry, and a bedroom/office. Access the oversized garage with epoxy floors from the first floor. The second floor offers a main bath and four bedrooms, including a primary suite with a walk-in closet, dressing area, secondary closet, and ensuite bath. Relax in the finished basement with multi-purpose rooms and a full bath. Outside, enjoy a manicured backyard and a large deck with a gas fire pit and grill hookup.
