## Inviting Northgate Home Nestled in One of Fremont's Most Desirable Areas With Award Winning Schools

You'll feel right at home as you pull up to this modern landscaped front yard filled with colorful drought-tolerant plants and an expanded driveway with enough parking space for the whole family.

Thoroughly remodeled and permitted in 2001, including an expanded kitchen with new wood cabinets and countertops. Updated bathrooms, all new flooring throughout, dual pane windows and so much more!
