Wow! What an amazing opportunity to be in the sought after live-work-play Vickery community! Beautiful Vickery home featuring 3 outdoor living spaces! 2 covered porches spanning across the front of the home plus a deck on the back of the home! Popular floor plan offers the perfect mix of functionality with designer aesthetics! Guest suite on the main level with a full bath-makes for a great flex room! Very bright and open concept plan with the main floor featuring beamed ceilings, a chef's modern kitchen, warm and comfortable family room w/ fireplace, a wall of wind

ows and a breakfast/sitting room, plus a formal dining room.

Terrace level offers a flex room that makes for great space for a media room/office/exercise room/guest overflow space/etc and features an en suite bathroom! A mud drop area offers a nice place for book bags and shoes when entering the home!
